

Part Num.	Description	Unit	Price Estimate
<b>EAGLE AIRCRAFT CONSTRUCTION KITS (INCLUDES MANUAL)</b>			
901	AILERON KITS	EA	6,150.00
902	LOWER WING KIT	EA	16,175.00
903	UPPER WING KIT	EA	16,175.00
904	FUSELAGE KIT	EA	20,033.00
905	LANDING GEAR KIT	EA	13,524.00
906	TAIL STRUCTURE KIT	EA	10,776.00
907	FUSELAGE EQUIPMENT KIT	EA	6,394.00
908	COCKPIT EQUIPMENT KIT	EA	7,405.00
909	FUEL SYSTEM KIT (minus Christen wobble pump)	EA	2,939.00
910	ELECTRICAL KIT	EA	4,075.00
911	INSTRUMENT KIT	EA	8,113.00
912	NAVCOM KIT	EA	CALL
913	SEAT BELT KIT	EA	3,942.00
914	FUSELAGE PANELS KIT	EA	5,240.00
915	CANOPY KIT	EA	8,162.00
916	ENGINE MOUNT KIT	EA	2,636.00
917-B	ENGINE KIT Includes Christen inverted oil system installed by Lycoming. Engine is certified by Lycoming for aerobatic use. Includes factory crating charge.	EA	CALL FOR CURRENT PRICING
918	ENGINE EQUIPMENT KIT	EA	6,949.00
919	PROPELLER KIT	EA	25,452.00
920	COWLING KIT	EA	6,897.00
921	RIGGING KIT	EA	10,102.00
922	FAIRINGS KIT	EA	4,919.00
923-L	COVERING AND PREFINISHING KIT (LESS DOPE AND FABRIC) Similar to 923 kit - less fabric, dope, interior enamel and other related materials.	EA	1,532.00
924	FLIGHT KIT	EA	303.00

<b>OPTIONAL EAGLE KITS</b>			
902-R	LOWER WING RIBS KIT	EA	2,600.00
902-S	LOWER WING KIT (LESS RIBS)	EA	8,950.00
903-R	UPPER WING RIBS KIT	EA	2,600.00
903-S	UPPER WING KIT (LESS RIBS)	EA	8,950.00
<b>WING KITS ARE UNASSEMBLED PIECES THAT YOU MAKE YOUR SELF</b>			
911-CH	CHRONOMETER KIT Complete system with panel-mounted digital indicator, push-button controlled display - GMT, local time, count-down or -up, stop watch timing. Used to replace mechanical clock.	EA	643.00
911-L	INSTRUMENT KIT (LESS INSTRUMENTS)	EA	1,245.00

Part Num.	Description	Unit	Price Estimate
	Similar to 911 kit - less instruments only		
915-SN	<b>CANOPY SNUBBER KIT</b> Telescoping brace with hydraulic snubbing action to support canopy system open position to prevent rapid opening in strong winds. (Only retrofit kit to 915 canopy kits ordered before May 15, 1983.)	EA	902.00
917-AL	<b>ENGINE MOUNT KIT (LESS ENGINE)</b> All components required to install non-aerobatic Lycoming engines (includes Christen Inverted Oil System).	EA	2,654.00
917-BL	<b>ENGINE KIT (LESS ENGINE)</b>	EA	1,275.00
918-HT	<b>HEATER KIT</b>	EA	4,015.00
918-SN	<b>EXHAUST SNUBBER KIT</b> Silicone rubber exhaust stack dampening straps to reduce exhaust vibration and eliminate stack cracking. (Retrofit only to kits ordered before May 1, 1984.)	EA	335.00
919-L	<b>PROPELLER KIT (LESS PROPELLER)</b> Similar to 919 kit - less propeller, governor, and spinner	EA	120.00
923-D1	<b>EAGLE PAINT DESIGN KIT</b>		442.00
923-D2	<b>EAGLE PAINT DESIGN KIT</b>		420.00
923-N	<b>"N" REGISTRATION NUMBER KIT</b>		CALL
925	<b>TIE-DOWN KIT (LESS STAKES)</b>	EA	936.00
925-SL	<b>STORAGE AND LUGGAGE SET</b> Two black Courdra nylon overnight bags with exterior pockets and carrying handle and strap - shaped to fit Eagle aircraft luggage compartment. Also a flexible panel with pockets to hold all parts of 925 tiedown kit; Velcro on bottom for attachment to floor of luggage compartment	EA	723.00

OPTIONAL COCKPIT EQUIPMENT			
33835	<b>CASE ASSY, MAP</b> Black cordura nylon case with provision for holding charts, pencils, and sunglasses. With pressure-sensitive Velcro mounting on back for easy installation.	EA	48.00
33660	<b>BAG ASSY, LUGGAGE</b> Black cordura nylon overnight bag contoured to fit Eagle aircraft baggage compartment. Features two exterior pockets and combinations carrying handle and shoulder strap. Eagle emblem is on front and transparent ID pocket.	EA	174.00
33655	<b>STORAGE ASSY, TIEDOWN</b> Black cordura nylon flexible panel with pockets on one side to hold all parts of 925 Tiedown Kit. Mounts on floor of luggage compartment with Velcro strips.	EA	34.00
61100	<b>DETECTOR, CARBON MONOXIDE</b> Disposable 2-1/8" square x 1/16" thick plastic plate with	EA	8.00

Part Num.	Description	Unit	Price Estimate
	round chemically treated insert which changes color in presence of carbon monoxide in less than 15 minutes. Detects fumes from a leaking exhaust in a closed cockpit.		
925-BP	<b>BARRIER-PILOT COVER SET</b> Lightweight ribbon barrier strip imprinted "PLEASE DO NOT TOUCH" for attachment to two-place biplanes from spinner, around I-struts to tail. Includes ribbon-type pitot cover and carrying case.	EA	366.00
925-CHK	<b>WHEEL CHOCK SET</b> Lightweight ribbon barrier strip imprinted "PLEASE DO NOT TOUCH" for attachment to two-place biplanes from spinner, around I-struts to tail. Includes ribbon-type pitot cover and carrying case.	EA	146.00
925-CVR	<b>CANOPY SET</b> Silver colored Cordura nylon cover for snap mounting on Eagle aircraft canopy in carrying case.	EA	461.00
925-DRP	<b>DRIP CUP SET</b> Die-cut polyethylene snap-assembled cup holder with supply of disposable cups for mounting on aircraft breather tube at tail to catch oil drainage.	EA	63.00

OPTIONAL TOOL KITS			
954	<b>EAGLE DIMPLING TOOLS KIT</b> Punches and dies for 3/32" rivet and No. 7 screw dimples with punch and die holder.	EA	323.00
961	<b>LEADING EDGE CLAMP KIT</b> Three clamp sets with extensions.	EA	581.00
963-D1	<b>EAGLE DRILLS KIT</b> All jobber and extension length drills required for Eagle aircraft construction. 29 drills ranging from No. 60 to 1/2"	EA	393.00
964-TP1	<b>EAGLE TRANSFER PUNCH KIT</b> Headed cylindrical type for transferring hole centers. Two each for 8-32UNC threaded holes, and four each for "camloc" receptacle.	EA	274.00
965-CSK1	<b>EAGLE STOP-C'SINK KIT</b> Stop countersink tool with 100 Deg. And 120 Deg. Cutters and #19, #27, #33, and #40 pilots.	EA	243.00
965-CSK2	<b>EAGLE PLAIN C'SINK KIT</b> 82 Deg, 100 Deg, and 120 Deg plain c'sinks with 1/4" diameter shank.	EA	99.00
967-SF1	<b>EAGLE SPRING FASTENER KIT</b> Installation pliers, drill jig, hole saw, lockwasher tool, and precision dimpling tool set.	EA	327.00
968-CAM1	<b>EAGLE "CAMLOC" TOOLS KIT</b> Installation pliers, drill jig, hole saw, lockwasher tool, and	EA	1,452.00

Part Num.	Description	Unit	Price Estimate
	precision dimpling tool set.		
969-T1	EAGLE TUBING TOOLS KIT Tubing cutter, flaring tool, and bending tools for 3/16", 1/4", and 3/8" diameter tubing.	EA	730.00
980-CT1	COVERING TOOLS KIT Fabric shears, pinking shears, heat gun, upholstery pins, and hand operated spring clamps.	EA	508.00
990-T1	COMPLETE EAGLE TOOLS KIT All mandatory and convenience tools required for Eagle aircraft construction, which are not normally available from local hardware stores. Includes riveting tool, saw- horses, leading edge clamps, drills, surform files, c-clamps, spring scale, hole locators, drill jigs, transfer punches, dimpling tools, c-sinking tools, tubing tools, spring fasteners, covering tools, camloc tools, and miscellaneous tools.	EA	6,870.00
990-T2	BASIC EAGLE TOOLS KIT All mandatory and convenience tools required for Eagle aircraft construction, which are not normally available from local hardware stores. Includes riveting tool, hole locators, drill jigs, drill dimpling tools, transfer punches, c-sinking tools, camloc tools, spring fasteners, tubing tools, and c-clamps. Does not include any convenience- only tools.	EA	4,098.00
WOODWORKING TOOLS			
940	DOVETAIL SAW Dovetail saw blade and saw handle.	EA	95.00
DIMPLING TOOLS			
949	DIMPLING TOOL SET, 3/32" 100 deg punch and die for 3/32" flat head rivet. Can be used for 120 deg flat head pop rivet.	EA	158.00
950	DIMPLING TOOL SET #6	EA	94.00
951	DIMPLING TOOL SET #8 100 deg punch and die for #8 flat screw	EA	212.00
952	DIMPLING TOOL SET #10	EA	99.00
953	DIMPLING TOOL HOLDER SET	EA	81.00
NAIL KIT			
945	WING STRUCTURE NAIL KIT 20 ea. 50136-005 5d box 300 ea. 50114-001 1/4" x 20 ga. 450 ea. 50114-002 3/8" x 20 ga. 150 ea. 50114-004 5/8" x 20 ga. 600 ea. 50114-007 5/8" x 18 ga.	EA	97.00
962	WING RIB NAIL KIT	EA	117.00

Part Num.	Description	Unit	Price Estimate
	6500 ea. 50114-001 1/4" X 20 ga. 190 ea. 50114-002 3/8" x 20 ga. 220 ea. 50114-016 3/4" x 14 ga. 150 ea. 50114-017 1" x 14 ga. 45 ea. 50114-018 1 1/4" x 14 ga.		
<b>CONSTRUCTION MANUALS AND PARTS BOOKS</b>			
70179-001	LOGBOOK, EAGLE AIRCRAFT Standard size aircraft logbook with Eagle emblem cover and entry locations for FAA inspection.	EA	7.00
901-M	CONSTRUCTION MANUAL,AILERONS KIT	EA	43.00
902-M	CONSTRUCTION MANUAL, LOWER WING KIT	EA	118.00
902-R-M	CONSTRUCTION MANUAL, LOWER WING RIBS KIT	EA	26.00
903-M	CONSTRUCTION MANUAL, UPPER WING KIT	EA	113.00
903-R-M	CONSTRUCTION MANUAL, UPPER WING RIBS KIT	EA	22.00
904-M	CONSTRUCTION MANUAL, FUSELAGE KIT	EA	24.00
905-M	CONSTRUCTION MANUAL, LANDING GEAR KIT	EA	21.00
906-M	CONSTRUCTION MANUAL, TAIL STRUCTURES KIT	EA	39.00
907-M	CONSTRUCTION MANUAL, FUSELAGE EQUIPMENT KIT	EA	59.00
908-M	CONSTRUCTION MANUAL, COCKPIT EQUIPMENT KIT	EA	48.00
