Subject: PACKAGING ERROR IN 923  
SERIES COVERING AND  
PREFINISH KITS

Due to a packaging error, several placards were omitted from the 923 Kit shipped to you recently. These placards are used in more than one place in the Eagle II aircraft, and you were sent only one of each rather than the multiple quantities required.

The omitted placards are being shipped to you today via first class mail.

Enclosures:
