Subject: TIRE FILLER ACCESS ON
CHRISTEN EAGLE II
AIRCRAFT

Filler access holes have been added to the wheel fairings of the Christen Eagle II aircraft to make tire servicing more convenient. This addition is described in the 922 Fairings Kit, revision 4, dated September 1, 1982, and the 925 Tiedown Kit, revision 1, dated January 13, 1983.

For Eagle II builders who may have overlooked this new feature the parts required are listed below:

PART NO.	DESCRIPTION	UNIT	QTY REQ	PRICE	AMOUNT
50831-002	FILLER EXTENSION	EA	1	\$ 4.25	\$ 4.25
50841-003	PLATE, HOLE PATCHING	EA	2	\$ 2.25	\$ 4.50
50849-001	3/8 HEX TYPE VALVE-STEM	EA	2	\$.75	\$ 1.50
	FIRST CLASS POSTAGE				\$.71
Total for non-California residents:					\$10.96
California sales tax:					\$.62
Total for California residents:					\$11.58
